Dear Elizabeth and Gail,

San Francisco voters deserve to hear a different voice on issues that affect their lives.

I am challenging House Minority Leader Nancy Pelosi and I ask your support. In 1987 Mrs. Pelosi ran for Congress as "Our Voice" in San Francisco. Today that voice speaks for trial lawyers and special interests that exploit civil rights, the environment and the poor. It is the voice of retreat in defending America and defeat in the competitive global economy.

I have a different voice. My special interests are San Francisco taxpayers: Seniors, young professionals, working families and small business. I speak for voters who want a dynamic San Francisco in a strong America with energy independence, secure borders, legal immigrants and community services that respect the dignity all needy persons.

I am a CEO for better health care, education and social services. I have been a City Commissioner and I serve on the Mayors council to end homelessness. As Chairman of the San Francisco Republican Party I work effectively with local, state and national leaders.

The Founders of our nation pledged their "lives and fortunes" to create the Republic. I am committing \$50,000 to help preserve it. ***I will conduct the strongest campaign Mrs. Pelosi has ever faced.*** Please join me and return the enclosed envelope today with a contribution, and vote for me in the June 6th primary I thank you for all you can do.

Sincerely

Mike D

Mike DeNunzio

PS: The enclosed brochure includes my credentials and record of service, thank you for your support please vote on June 6th.
